Upper School Academic & Senior Athletic Awards

May 19, 2020

Welcome

Congratulations to all our students being recognized for Upper School Academic and Senior Athletic Awards for the 2019-2020 school year. These awards this year are especially significant given all the changes with our approach to teaching and learning that have occurred along with the impact on athletic programs at the end of the year. Our student award winners are commended for their resilience and adaptability to change and doing the hard work needed to achieve and maintain excellence. The Board, administration and staff are proud of your efforts and these awards speak to your success now and in the future.

We look forward to seeing our returning students and wish much success for our seniors who will be graduating and attending college in the fall. These awards reflect the focus, philosophy, and mission of Wayne Country Day School which is to inspire our students "to commit themselves to excellence in preparation for college and the world beyond." Again, congratulations and best wishes. We are proud of you and the award recognition received is well deserved.

Sincerely,
Dr. Steven Taylor
Interim Headmaster
